

REMARKS

This Preliminary Amendment addresses the response to Applicant's arguments made in the Advisory Action dated January 18, 2005. With this preliminary Amendment, each of the independent claims 1, 8, 15, 21, 22, 24, 28, and 29 is amended to make explicit that the schedule lists or contains both television programs available for viewing and recording and previously recorded television programs available for time-shifted viewings. This addresses the issue raised in the Response to Arguments by making the distinction over the Bonomi reference explicitly in the claims.

With this Request For Continued Examination, the Amendment dated November 4, 2004 should be entered along with this Preliminary Amendment. As a result of those two Amendments, all 29 claims are now in condition for allowance. Notice to that effect is requested.

Respectfully submitted,

KINNEY & LANGE, P.A.
